### Reading is through the ROOF!

The challenge is extended and the gauntlet thrown down. I personally challenge every child and staff member in this school to read for the month of October. Let's kick off the bookfair with a BANG! For every classroom that meets or beats their reading goal I will spend ONE HOUR on the roof of the school. If EVERYBODY hits this goal, I will spend the ENTIRE day on the roof! Can we do this? Am I going on the roof? Read and find out!

### Nets for Africa

This semester for chapel offering we are collecting money for the Malaria Project. In Africa many people are contracting Malaria and dying from the disease. Mosquitoes bite them while they sleep. The Malaria Project is working to provide nets for their beds. The nets cost \$10 dollars. Our goal is to cover 100 beds.

We have covered so far:

**14 beds**

*The King will reply, 'I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me.'*

*-Matt. 25:40*

## Prayer Requests

Please pray for the following families this week:

Sokel  
Steuerwald  
Taschner  
Torres  
Ullrich

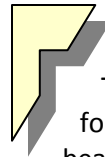

Mrs. Clark's husband who is deployed in Afghanistan

If you have a prayer request please feel free to submit it to the school office to be added to this list.

## What's Hopping in 4K

Fire Safety week was this past week! The 4K students were learning all about fire safety! It was great fun! We sang fun songs such as "Hurry, Hurry, Drive the Fire truck", and did several neat art projects. The children created their own fire truck out of shapes, and made little fire fighters out of their handprints. We talked about the importance of NEVER playing with fire and matches. We practiced stop, drop, and roll! Firefighter Joe came into our classroom to show us his fire gear and to help us practice fire safety. One of the important things we learned during our fire safety week was that fire fighters are our friends and are there to help us.

## Kindergarten Korner

Thanks to all parents who were able to be with us for worship on Saturday eve. The children offered beautiful praise! This week we finish our unit of numbers 0-5. Our bat books went home this week too. The full body diagrams went home on Friday. We have studied bones and internal organs. We are wonderfully created by a loving God. Our Bible account included the building of the tabernacle and the demonstration of thankfulness and joy as God's people gave from their abundance to God's glory. In reading, we made up stories from wordless books. Yes, creative ideas abound! Our class played the Orff instruments again and sang, "Hop Old Squirrel". These children have excellent rhythm and singing voices. Grandparents Day was a fabulous way to end the week!

## First and Second Grade Spotlight

In Science this week, we illustrated mammals and talked about their features. In Language Arts, 1<sup>st</sup> grade read "Seasons" and 2<sup>nd</sup> grade read "A Trip to the Firehouse". We had a wonderful time at the Oshkosh Grand Opera House watching "Skippyjon Jones"! The students enjoyed making cookies for Grandparents' Day and worked on their creativity, cooperation, and listening skills ☺

## What's Happening in 3<sup>rd</sup> & 4<sup>th</sup>

**Math** each lesson is individually planned to help each student succeed at their own rate and tests will be on individual basis only so keep looking in your daughter's student planner for their test. **Language Arts** We have been studying about Laura Ingalls Wilder as an author study. **Science**—Began chapter 2, *Classifying Animals*. **Social Studies** Began a new chapter called *Understanding Regions*. We are also practicing taking notes and looking for important information. **Religion** continuation of the unit, *The Holy Spirit Blesses the Church*. We will be learning more about Reformation as well. Memory work next week is "He saved us, not because of works done by us...but according to His own mercy...so that being justified by His grace we might become heirs according to the hope of eternal life." Titus 3: 5 & 7. Test will be on Friday.

## Upper Deck

**Nuggets**-The second nugget is assigned and will be tested next week.

### Math-

**Kayla, Lisa, Tyler**-graphs, average

**Courtney, Brandon**-long division and using remainders

**Riley, Madison**-long division and interpretation

**David**- decimals and basic operations

**Maddie, Colyn, Danny**-properties of math (ask about C,I,A, and D)

**LuKayla**-multiplication and division properties

**Cody, Talon, Brice**-solving linear equations and inequalities

**Elliot**-absolute value and order of operations

**Science**- Groups have been working on creating a science experiment based on physical properties of matter. Each step to the process has been approved, and experiments have started. Some materials are brought will be needed from home to conduct the experiments.

**L.A.** Literary conflict was discussed and examined in text. We are still working on removing "said" from our writing. We are now focusing on comma use in sentences.

## Help needed for Packer games

Help is needed working the Packer games. Please check the schedule in the narthex and see if any of these dates may work for you. The next home games are on Monday, Nov 14th, which we will be leaving Trinity @ 2:00 PM and Sunday Nov. 20th which we will be leaving Trinity @ 7:00AM. If you have questions regarding this, please contact either Lee Colby @ 729-0927 or Cathy Miller @ 725-1715.

## Trinity Girl Scouts are selling Nuts- Chocolates and Magazines!

The girls will be using the money earned to purchase the new "Girls Guide to Girl Scouting" binder and other Troop materials. Sale dates are Oct 7-23 with delivery Nov 9-30. Checks written out to 'Girl Scouts' are due at ordering!

## "APPLETON CHRISTMAS PARADE" HERE WE COME!

There is opportunity for your family to be a part of this great event! We are so thankful for the opportunity to represent our church and school! Each family will receive a call from a room parent with details. The phone call will include dates for "Work Times" and how to sign up to be in the parade. Our first "work night" is set for Tuesday, Oct. 25 from 6:00-8:00p.m. Come for all or part of the time!

## It's Our Book Fair!!

Now thru Fri, Oct 28<sup>th</sup> Trinity's PTLs will host a Scholastic Book Fair in our gym. There will be a large variety of books for all ages of children. Come & shop for your child or purchase a book for your child's classroom. We will even have various cookbooks for sale.

There will also be a small silent auction at the bookfair with a Superbowl Winning Team signed football from the Green Bay Packers.

All proceeds to benefit the purchase of another SMART board for the school & new books for our library. Contact the office if you would like to help. **READING IS FUN & REWARDING!!!!**

## Get Ready to sell some Pies!!!

Our goal is to sell 500 for the school. The class that sells the most desserts will be rewarded by PTLs. Let's make a 40% profit to support the playground equipment addition.

## Piano Concert

There will be a Monster Piano Concert on November 12 at 7pm at Fox Valley Lutheran High School. A performance of duets and trios will be played on 10 grand pianos with 200 performers. Included in the performance will be current Trinity students Amaya Jones and Lauren Wilharm, former student Elizabeth Groshek, and graduate Kayla Henkel. Nancy Lephart is chairing this exciting event. Duane Matz will be Master of Ceremonies.

Dear Trinity Lutheran Church and School Parents –

October 31<sup>st</sup> is right around the corner and I am writing this letter to you with regards to the celebrations we will be having at our school on Friday, October 28<sup>th</sup>.

For the Lutheran Church, October 31<sup>st</sup> is celebrated as “Reformation Day”. On October 31<sup>st</sup>, 1517, Martin Luther nailed his 95 Theses to the church door of the Wittenberg Castle Church. By doing so, he started what has now become known in history as the reformation movement.

November 1<sup>st</sup> is also celebrated within the Christian Church as “All Saints Day”. This is a special day set aside to remember loved ones who are now with our Lord in Heaven.

Unfortunately in today's world, Halloween, which has its roots in a pagan celebration, has become, to a large degree, more gruesome and evil in its focus. The celebration of this holiday has become offensive to many within the Christian community. Therefore, we at Trinity Lutheran School will be emphasizing Reformation Day and All Saints Day, with a Fall Festival theme.

Our intent is not to stifle children's fun or to make those who celebrate Halloween as a children's holiday feel inferior. Our desire is, as a Christian school, to maintain a Christian focus and avoid doing something that could be offensive to other Christians.

We sincerely wish that all children who go “Trick or Treating” will have a safe and enjoyable time, and that our school parties will be a positive experience for our students.

For grades K4-2<sup>nd</sup>, your child may bring their costume to school and we will have a special costume parade throughout the school. Please send it along and the children will change into the costume at the appropriate time. **Please avoid any costumes that are witches, demons, ghosts, vampires, etc, or are of a violent, gruesome or bloody nature. NO WEAPONS! Masks will not be allowed to be worn. Only 1<sup>st</sup>-2<sup>nd</sup> graders can wear make-up if they can apply it themselves.**

Thank you for your cooperation with this matter. If you have questions, please feel free to call me at 725-1715.

Sincerely in Christ,

*Caroline Bedroske*
