† **Stewardship Lesson** †

Luke 16:8 – "For the sons of this world are shrewder in dealing with their own generation than the sons of light." The sons of this world know that they should use their wealth wisely to provide for their future. Shouldn't we "sons of light" know that the wealth God has allowed us to manage should be managed for God's purposes in the roles He has given us in Church, home, and society?
