

# TRINITY LUTHERAN CHURCH & SCHOOL

## CONFIRMATION ORIENTATION

August 27, 2025

5:00 PM

### Agenda

1 – Opening Prayer

2 – Welcome and Introduction

*What are these classes for?*

Confirmation classes are for the purpose of

- training children to understand the faith into which they were baptized
- preparing them for
  - a lifetime of continued learning and growth in the church through
    - participation in worship
    - participation in the community life of the Christian congregation

Confirmation classes are not for the purpose of

- getting children confirmed as a rite of passage, only to have them disappear from the life of the congregation, never to be seen or heard from again.

We expect your children to continue in the life of the congregation for the rest of their life. Confirmation is the beginning of a lifetime of regular church participation, *not* a graduation exercise.

*Who has the ultimate responsibility for the Christian education of children?*

Parents, this is your responsibility. Martin Luther indicates this quite clearly in the subheading of every Chief Part of the Catechism:

**“AS THE HEAD OF THE FAMILY SHOULD TEACH IN A SIMPLE WAY TO HIS HOUSEHOLD.”**

We are delighted to partner with you in this endeavor, but you will be asked to be *regularly involved* in the process.

## Expectations

It is expected that:

- you will have your children in class every week and that they are *prepared* to discuss the material assigned for that class day.
- you will have your children in church at least 75% of the time (3 weeks out of every month), and that *you will be in attendance with them*. We do not want them merely dropped off.
- you will have your child prepared to serve as Acolyte when they are scheduled. (The schedule is available on our website.) If they are unable to serve, *it is your responsibility* to arrange for one of their classmates to substitute for them.
- you will have your child prepared to serve as Usher when they are scheduled. If they are unable to serve, it is your responsibility to arrange for one of their classmates to substitute for them.
- you will see that your child completes 16 sermon reports during each year of class. Some children need extra prompting in this regard. This is to help them learn how to engage in what is occurring at church, particularly regarding the sermon.
- you will make certain your child has studied and memorized the assigned material for each class day.
  - They must recite their memory work to you, after which you are asked to sign the back of the Memory Work card, which they will then bring with them to class. Memorization is a vital tool in teaching the Catechism and should not be neglected.
- **your child will be a regular participant in Sunday School, and that you will attend an Adult Bible Study at the same time (unless you are assisting with Sunday School). Sunday School is not merely about Christian information, it's about Christian *formation*. While there is always new information to learn, what children at this age need to learn most is the importance of continuing to learn. The Christian life is a learning life. *Third year students will attend my Bible class.***
