

What is SCRIP?

Scrip means “Substitute Money”

And this...

And even these...

Like this...

*GLSC brings hundreds of America's most respected
retailers to your non-profit organization.*

it's all inside:

Bath & Body Works

Improving Home Improvement

Cabela's

Walgreens

Non-profit organizations all across the country raise money with scrip fundraising.

Great Lakes Scrip Center buys gift cards from retailers at a discount, and processes them at our headquarters.

The Scrip Coordinator of your organization places the order at www.glscrip.com.

Families buy the scrip from your organization and pay full face value.

*They shop at the participating retailers,
and redeem the scrip for full face value.*

The difference between the GLSC discount and the face value is revenue for your organization.

And it can really add up...

...to make a serious difference for your non-profit.
